

# THE GROWING SOLIDWORKS NATION

Today, more people than ever are turning to SOLIDWORKS for their CAD needs.

## POPULATION BREAKDOWN

**2.3 MILLION** ACTIVE USERS  
**234,800** COMPANIES  
**247** USER GROUPS  
**810** SOLUTION PARTNERS  
**80** COUNTRIES

## STRONG SOCIAL FOLLOWING

**984K** **193K** **68K**

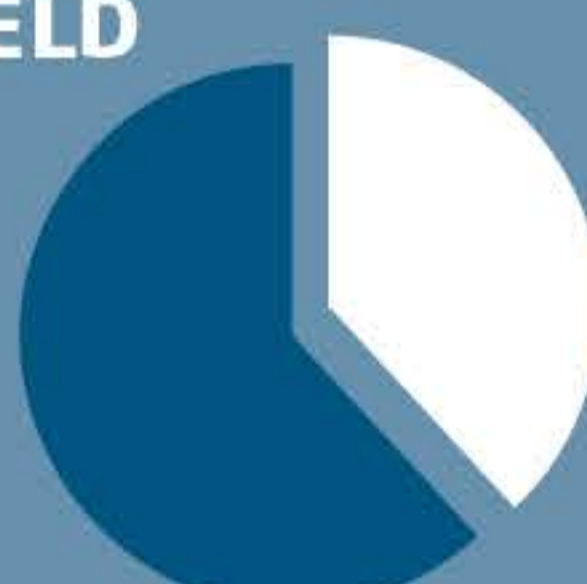

By 2016, there will be an estimated

**5.2 MILLION**

SOLIDWORKS and DraftSight users.

## INCREASING DEMAND IN THE FIELD

According to a recent search of Monster.com, 13,592 job searches are seeking applicants with 3D CAD skills.

**40%**

OF THEM ARE SEEKING SOLIDWORKS USERS

It represents **18%** growth from last year.

WITH A DEVOTED FOLLOWING THROUGHOUT THE WORLD...

**5,000**

people attended this year's SOLIDWORKS World Conference.

SOLIDWORKS IS FOCUSED ON **EMPOWERING CUSTOMERS TO INNOVATE AND DESIGN**

WITHOUT SOFTWARE GETTING IN THE WAY.

– MICHELLE BOUCHER, TECH-CLARITY

## A STRONG PRESENCE IN THE CLASSROOM

Every day, more than

**2 MILLION**

students use SOLIDWORKS

SOLIDWORKS has

**2.55 MILLION**

education licenses with

**31,000 CUSTOMERS**

## MySolidWorks.com

a virtual knowledge database providing relevant content to the user community.

There have been **47,000** new users since 2015

## AN ENGAGED ONLINE NETWORK

### 3D CONTENT CENTRAL

is an active platform that allows users and suppliers to share downloadable 3D and 2D models

**1.3 MILLION** USERS

**330,000** MODELS

**3,500** DOWNLOADS/MONTH

## A CONSTANTLY UPDATED SET OF TOOLS

Each new release has over new enhancements.

**200**

**90%**

of these result directly from customer feedback.

## SO WHAT DOES A GROWING USER BASE MEAN FOR THE FUTURE?

A strong connected user group will provide a larger pool of trained engineering talent, a larger network of suppliers, and technology that will meet design needs for the 21st century and beyond.
