

SOLIDWORKS APPS FOR KIDS

IF YOU CAN DREAM IT, YOU CAN CREATE IT

SOLIDWORKS® Apps for Kids introduces children from ages 4 to 14 to the excitement of imagining and designing your own creations. A collection of apps breaks down the design process into bite-sized tools to create, style, design, and engineer a concept and then present and share it with others.

SOLIDWORKS APPS FOR KIDS

SOLIDWORKS Apps for Kids inspires young thinkers and gives them the tools to turn their wildest creations into reality.

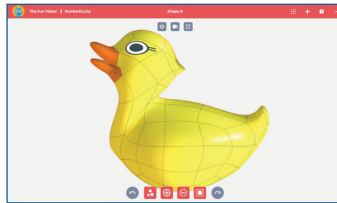

A web-based collection of apps, available for tablets and other mobile devices, **SOLIDWORKS Apps for Kids**—like **Shape It**, **Style It**, **Mech It**, **Capture It**, **Show it**, **Print It**—get children inspired and learning about design in a fun, exciting way.

SOLIDWORKS Apps for Kids introduces children from ages 4 to 14 to the excitement of imagining and designing your own creations. A collection of apps breaks down the design process into bite-sized tools to create, style, design, and engineer a concept and then present and share it with others.

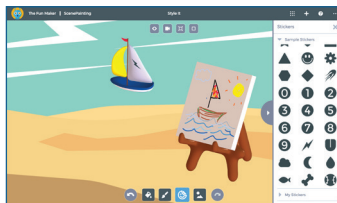

Capture It

Draw, take photos, use images and capture things around you to inspire designs.

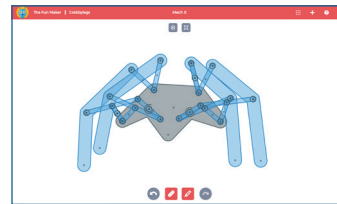

Shape It

Shape ideas into 3D creations. Anything a child can imagine, they can create with this intuitive, easy-to-use modeling tool.

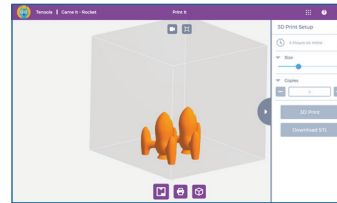

Style It

Add color, stickers, backgrounds and more to Shape It creations. Everyone loves painting, so paint right on the model.

Mech It

Put together shapes and make things move with Mechanisms. Touch friendly, snap together links make it fun and work like real.

Print It

Make the creation come to life—Print in 2D, 3D or one of the fun project-based formats.

SOLIDWORKS Apps for Kids unleashes the hidden creator in everyone. (It's certified for use by adults, too.)
