

SOLIDWORKS SUBSCRIPTION SERVICE PROGRAM

ENHANCE YOUR SOLIDWORKS INVESTMENT

The SOLIDWORKS® Subscription Service Program gives you immediate access to new SOLIDWORKS releases and upgrades, live technical support, extensive online resources, and enhancement request privileges, helping you stay current and competitive, and to improve return on investment.

Why subscribe?

Every year, SOLIDWORKS adds new features and enhances the user experience to help you design best-in-class products and communicate efficiently with manufacturers and suppliers.

Boost your design process and support your team with resources to help them work faster and smarter to transform your product development into business success.

Support, upgrades, new versions, special releases, add-on features, webcasts, training—all designed exclusively for SOLIDWORKS Subscription Service customers—help improve

your performance and productivity with an intuitive 3D design experience and can save you time and money.

SOLIDWORKS Subscription Service Program provides:

- Automatic upgrades for your licensed SOLIDWORKS software
- Live technical support from your local authorized Value-Added Reseller (VAR)
- Software enhancements designed for Subscription Service members
- Access to privileged content on My.SolidWorks.com—your one place for all things SOLIDWORKS
- Access to the SOLIDWORKS Customer Portal—your online destination from purchase through installation and upgrade

LOCAL TECHNICAL SUPPORT - Access live technical support from your local, certified SOLIDWORKS VAR, including telephone assistance with product features, commands, installation, and troubleshooting. Nearly 400 SOLIDWORKS VARs support customers in 71 countries, delivering high levels of service.

NEW SOFTWARE RELEASES - Receive the latest SOLIDWORKS software to help improve your performance and productivity. Leverage innovative tools and leading-edge techniques to create designs faster and more accurately.

SOFTWARE UPGRADES - Stay current with SOLIDWORKS upgrades and service packs that address important issues reported by the SOLIDWORKS Community.

SUPPORT FOR PREVIOUS VERSION - With SOLIDWORKS Subscription Service, you can continue to use and receive support for prior and current releases of SOLIDWORKS software. This policy helps minimize production delays and ease your transition to the latest release.

CSWP AND CSWA EXAMS - The CSWP (Certified SOLIDWORKS Professional) and CSWA (Certified SOLIDWORKS Associate) exams validate user proficiency and help managers highlight areas for training. Build your team's skills and professional development to advance their careers and improve productivity. Subscription Service customers can take up to six exams per year for free to help sharpen their engineering team's skills in SOLIDWORKS.

MY.SOLIDWORKS.COM - Your one place for all things SOLIDWORKS. MySolidWorks makes you more productive by connecting you with relevant SOLIDWORKS content and services all in one location—anytime, anywhere, and on any device. Talk to your reseller today about the added features and value with MySolidWorks Standard and Professional—available for Subscription Services users only.

Knowledge Base

Access the powerful search engine that explores an extensive library of technical data, such as solutions, help topics, tech tips, and best practices. Access our resource library, from webcasts and tech tips to administrative guides and technical presentations.

MySolidWorks Training

Learn SOLIDWORKS on your own schedule, at your own pace—anytime, anywhere, and on any device. Subscription Service customers can get access to over 400 training videos.

Enhancement Requests

Influence the development of SOLIDWORKS and provide your feedback on what we can do to improve our software. Ninety percent of new enhancements come from customer suggestions. We add enhancements and functionality to address new trends and provide you with the tools you need most.

Discussion Forums

Connect with the SOLIDWORKS Community of users in a broad range of discussion topics on virtually all facets of SOLIDWORKS.

THE SOLIDWORKS CUSTOMER PORTAL - Gain full access to an easy-to-search repository of in-depth information and resources, with support in multiple languages, to help improve productivity.

Service Requests (SRs)

Send incident reports to Technical Support for quick resolution. View status with SR tracking numbers.

Software Performance Reports (SPRs)

Submit incident reports of software issues to our development team. View status with SPR tracking numbers and monitor issue resolution in documented service packs.

Customer Experience Programs

Share your opinions and preview SOLIDWORKS beta versions and upcoming SOLIDWORKS Early Visibility (EV) Service Packs.

SOLIDWORKS PRODUCT DEVELOPMENT SOLUTIONS

SOLIDWORKS software provides users with an intuitive 3D development environment that helps maximize the productivity of your design and engineering resources to create better products faster and more cost-effectively. See the full range of SOLIDWORKS software for design, simulation, technical communication, and data management at www.solidworks.com/products2016.
